Follow the Music

About us

Follow the Music is a mobil app created to help you find live music near you with just the click of a button. This app is designed to promote local bands, spotlight hip venues, and help communities come together through the power of live music.

How it works

Download Follow the Music on any smartphone or mobil device and begin customizing your profile. Input your location, music likes and dislikes, and the overall vibe you are seeking. The app will display a personalized list of live music happening near you. All that is left is to follow the music.

Features

- 👉 Get alerts when your favorite bands are coming into town!
- 👉 Find free concerts and house shows
- 👉 Get recommendations to score the best deals on ticket sales
- 👉 Find reviews of different bands and music venues
 - 👉 Photos and videos
